

CARE Programs

Our Commitment to your Success

Fast

Cost-Effective

Reliable

Efficient

A Trusted Partnership

Metering Pumps, mixers, and chemical injection systems are critical to your operation. A proper maintenance strategy is crucial to avoiding unplanned, unbudgeted downtime, and production interruptions.

By choosing a Milton Roy CARE Program, you are investing in your future with a trusted partner.

The CARE Programs Advantage

Genuine Parts

Milton Roy genuine parts are your best choice for maximum reliability and optimal performance. Using genuine parts eliminates exposure to unnecessary equipment wear and tear, which leads to increased downtime and higher operating costs.

Rapid Response

As a Milton Roy service program customer, you are our top priority when it comes to repair work.

Optimized for Efficiency

Our CARE Programs help maintain chemical injection and blending efficiency by ensuring equipment is kept in optimal condition for peak performance.

Early Detection and Predictability

We will work with you to outline a plan to ensure your equipment receives maintenance to ensure your uptime and avoid unexpected downtime that waste time and resources.

No Paperwork Hassles and Unexpected Costs

Partnering with Milton Roy provides peace of mind when it comes to maintenance and repair. We support you so you can focus on your business.

Lasts Longer, Runs Better

Replacing the right parts at the right time ensures longer life and reduces the likelihood of unwanted surprises.

It All Adds Up to Peace of Mind

Lower Cost of Ownership

PartsCARE and Planned CARE programs provide the most cost-effective solutions based on your customized requirements.

Quality Results

Milton Roy factory-trained service technicians are backed by more than 85+ years of industry experience.

Increased Uptime

Our CARE Programs help decrease unplanned downtime and costly production interruptions.

Efficient Energy Use

Peak system efficiency is achieved through properly performed maintenance and inspection.

Peace of Mind

Our world-class services will help you achieve the results you need, while you focus on what's important to your business.

Reliability For Life

Regardless of your maintenance strategy, the goal of our CARE Programs are to be your **trusted partner**, earning the right to ensure **reliability** for the life of your dosing and mixing equipment. From installation, through commissioning to operation, maintenance and future growth, we leverage our expertise to deliver personally tailored solutions.

No matter where your facility is located, Milton Roy is committed to serving you. Milton Roy customers are in safe hands while maximizing the availability, reliability and efficiency of your installations.
